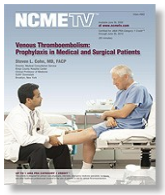
## 2009 National Health Observances



The latest topic on NCME TV is "Venous bolism (VTE): Prophylaxis in Surgical Patients." This 50 ne course is worth 1 :. The service is available 24/7 and can be accessed from any computer either onsite or off site. All registrants will automatically receive e-mails announcing the new program for the month. The topic for next month is: "Is It Delirium or Dementia? How to Differentiate and Manage the Two Common Age-related Conditions." Be sure to view the "Medical News Alerts" worth . 25 CME credits.

Register at http://www.ncmetv.com/register.aspx; enter the hospital ID: 450480. Questions? Contact Janet at 526-7286 or janet.klieman@amedd.army.mil

## Degrees/Certifications

Are you working on a degree in the medical field? Or studying for a certificate? Stop by the library and check out our resources. If we don't have something you want, please let us know and we can put it on our list of books to purchase. Please note that we do not purchase college textbooks or course materials. Any and all recommendations will be considered. POC is Alex at 6-7560 or phuong.nguyen2@amedd.army.mil

## Updates to the Library Website:

We have added a new section on the Library Homepage titled "Current Awareness Services" which includes the following services:

- Article Request
- "e-TOC" - Electronic Table of Contents Service
- Literature "Alert" Searches
- Search Request
- Quick Contents

Click on any of the above links to try it out.
